

"Gets-It" Peels My Corns Off!

Any Corn or Callus Comes Off Peacefully, Painlessly. Never Fails. It's almost a picnic to get rid of a corn or callus the "Gets-It" way. You spend 2 or 3 seconds putting on 2 or 3 drops of "Gets-It," about as

Use "Gets-It," peel off corn this way, simple as putting on your hat. "Gets-It" does away forever with "contractions," "wrappy" plasters, gross ointments that rub oil, blood-letting knives, and scissors that snip into the "quick." "Gets-It" eases pain. Your "lumpy" corn shrinks, dries, loosens from the toe. You peel the corn painlessly from your toe in one complete piece. That's where the picnic comes in—you peel it off as you would a banana peel. Nothing else but "Gets-It" can do it. Get peaceful, common-sense "Gets-It." Get peace-back corn-remover, the only sure way, costs but a trifle at any drug store. Mfg. by E. TO THE VOTERS OF THE CITY OF ALEXANDRIA

The City Democratic Committee urgently requests all citizens who have the right of suffrage to cast their ballots on Tuesday, May 27, 1919, for the Hon. R. Walton Moore, of Fairfax County, for the Congress of the United States.

He is the nominee of the Democratic Party, and should receive the cordial support of all loyal democrats. A better equipped candidate could not have been selected for the standard bearer of the party. His brilliant mental attainments and lofty traits of character pre-eminently qualify him for the position. If elected, he will discharge his official duties with singular ability, and his constituents will have a representative of whom they can feel justly proud. In order to maintain the present state of prosperity prevalent in the city and district, it is of the utmost importance that the people should have a representative in the National Congress whose capabilities will command influence and respect. It will be impossible to accomplish his defeat if those who have the right of suffrage perform this important civic duty.

Respectfully,
City Democratic Committee,
By Charles Bendheim, Chairman

The government is spending more than \$2,000,000 monthly to bring up volunteer regiments. It dares not ignore the militarist spirit

CALLS FORD GUILTY AS BOMB THROWERS

Mt. Clemens, Mich., May 23.—A decision was expected yesterday on the brief filed by Henry Ford to limit the testimony during the trial for his libel against the Chicago Tribune. Attorney Stevenson, for the defense, said he would finish his arguments soon, and the jury was ordered to report at the afternoon session.

Attorney Stevenson talked all yesterday afternoon and continued this morning, flaying the character of Ford.

It is no exaggeration to say that he Federal prisons are filled with men today who said less against the Government and its plans of defense than Henry Ford has said, declared Stevenson. "He is as guilty as the man who threw bombs."

200 HOMES BURNED

Loss by Flames \$500,000 Mobile's Center Put in Peril

Mobile, Ala., May 23.—Probably 200 homes, including a half dozen or more small stores, were destroyed Wednesday by fire. The loss to property will exceed \$500,000. About 1,500 people are homeless. Millions of dollars' worth of river front property, including docks, shipbuilding plants, railroad shops and other property, which lay in direct path of the fire, was saved when the flames were checked at the western boundary of the Alabama Dry Dock and Shipbuilding Company's property.

It was the opinion the people in need will be cared for by a citizens' relief organization.

The flames started in a trash pile in the yard of the Cunningham store. The business section was threatened when the wind gradually whipped around from northwest to west and then almost southwest.

The fire virtually burned itself out, but only after twenty blocks were lost.
